FOR IMMEDIATE RELEASE
April 2, 2010

Altrusa International of Hermiston is holding their 9th annual Girls Night In on Friday, April 9, from 6-10 PM. Girls Night In is a fun filled evening for all Hermiston 8th grade girls entering Hermiston High School and is an opportunity for the girls to become acquainted with the school.

High School leadership girls play an important part of the evening by giving small groups tours of the school. They stay with the girls as they progress through various activities such as cheerleading, beading, stamping projects, photos, skin care and scrapbooking. The leadership girls lead a panel discussion answering a wide assortment of questions the 8th graders might have about high school. A fashion show, always a highlight, features the high school girls modeling what to wear and not to wear to school, prom and school events. Altrusa provides an abundance of food for the girls to enjoy.

Information about this event was presented to the Sandstone and Armand Larive Middle schoolers on April 2. All girls attending must have a permission form signed by their parent when they come to the event. For more information, contact Kay Bennett at 567-3440, Karen Sherman at 567-8468 or Ann Fialka at 567-3928.

Altrusa International of Hermiston OR Inc. is a service organization dedicated to community service. Funds are raised through its annual Auction held the first Saturday in October.
